CERTIFICATES

TO DR. BONAUD, School street.
DR. BONAUD, with the kind offices of the public for their estimation of his Vegetable Medicine, and happy that he has in his power to furnish the public with a truly valuable preparation, has the honor to offer for inspection and as a proof of the virtue of his Curative Panacea, the annexed certificates from respectable individuals of this city who have testified their power.

Boston, Aug. 25, 1837.

Dr. Bonaud, Dear Sir—
In accordance with your request, I would state that your Vegetable Medicine has done for me that which I never expected to see accomplished. My complaint (Fistula) seemed to be more than equal to the means employed to eradicate it. Accidentally seeing your advertisement in one of our Boston newspapers, it induced me to give the medicine a trial. After a few doses, perhaps twenty, I found the fistula began to heal, and now, at this present writing, it appears to be perfectly healed. Had it not been for your very valuable medicine, in all probability I should now be afflicted with this welcome complaint.
S. N. D., 24 Washington st.

To Dr. Bonaud, Sir—

Having been a witness of the efficacy of your Vegetable Swiss Powder, and in a case in which I was deeply concerned, allow me to bear public testimony of its beneficial effect.

Sometime during the last winter, my daughter became ill of the Fever, which was prevalent at that time in this city; the disease was termed, I believe, by physicians, the *Malignant Fever*. She had a very violent attack of it, which lasted for two months. At last, after a severe trial, she recovered, and, by the use, I believe, (under Providence) of your Swiss Powder.

Another Girl, about the same age, was cured of the same disease, by the same Medicine.

I know not where else you would not have recovered under the care of one of the Faculty; concerning that I have nothing to say. My only wish now is to bear testimony to your invaluable power.

Yours respectfully,
R. HOGAN, Langdon place.

The 3d of January, after breakfast, I was taken with Paralysis, having lost all faculties, and being at all appearance, dead. I was taken to my bed and bled by Dr. Bonaud, whose medicines were given to me, and after taking 3 doses I recovered from that severe illness.

LAURA TAMMER, Nassau.

Boston, Feb. 8, 1837.

About three years ago I was taken with a peculiar disease, every part of my body was alternately painful. Finding myself without hope of recovering I took different kinds of medicines, but without any success, for they made me worse. Having heard of the good effect of Dr. Bonaud's medicine, I called on him and procured a trial of it, which restored me to perfect health.

NANCY GREENLEAF, 35 Salem st.

Boston, Aug. 26, 1837.

Mr. Menz, my boarder, had been attacked with a sickness which affected his bowels; he suffered very much. I called on Dr. Bonaud, who attended him, and after 3 doses of his medicine he recovered.

I am to certify that my Wife was suffering with a disorder which rendered her unable to attend on her duty, and my youngest daughter was also taken ill with a bad Cough, both were restored to health after a short treatment.

My daughter Juliana was also affected with sore legs since three years ago, after taking Dr. Bonaud's medicine she was perfectly cured.

JOSEPH W. ORRILL.

Boston, Aug. 26, 1837.

I was taken very ill with Affection of the Chest; could not be stopped during six days; any kind of food or drinking could not step in my stomach. I was very low, when fortunately, Dr. Bonaud came to see me; he attended me, and after eight days of treatment, in which I took 25 doses of his excellent medicine I was perfectly cured, and I give him the Certificate as testimony of my gratitude for the good I received.

NATHANIEL HASTINGS, 52 Prince street.

Boston, Aug. 26, 1837.

My Daughter, a girl about 14 years old, was taken with a Cerebral Fever and Inflammation of the Chest; I sent for Dr. B. who attended her and relieved her immediately. I must say that he had been so ill before the aid of Dr. B. that I had lost all hope of her recovery.

W. H. PIERCE, 2 Langdon place.

For the last three months I had one of my limbs affected with a Rheumatism, which pained me very much. I could not get any relief. At last, I was induced to take Dr. B's medicine, and after five doses was completely relieved. At that time I was in my boarding house, a Child, 3 years old, who was affected with Paralysis on the right side, accompanied with Scarlet Fever; 6 doses of the above medicine were administered, which immediately cured him. I wish every body who received good from Dr. B's medicine would give the same as I do.

MARY BALCOCK.

JELLY OF POMEGRANATE AND PERUVIAN PILLS.

A Universal remedy for various Headache, Dizziness in the Head, Palpitation of the Heart, Oppression of the Breast, Dyspepsia, Flatulency, Costiveness, Darting Pain in the side, back and limbs.

For impurities of the blood, such as Canker, Scrofula, Salt Rheum, Leprosy, &c. &c. &c. of the greatest vegetable Medicine ever offered to the public.

The Jelly of Pomegranate and Peruvian Pills are given in all cases in which Dr. Gorkak calculates to give satisfaction. Additions of other vegetable medicines are given according as the diseases differ.

The public are cautioned not to purchase Medicines prepared and invented by me, of peddlers, especially those who carry their medicines from New Ipswich; they are not likely to get the genuine.

For sale at retail office, No. 59 Union st., nearly opposite the First Baptist church. Also at my residence, in the new brick house, corner of Richmond and Salem streets, Boston.

The following certificates will prove that Dr. Gorkak's medicines are worth public notice. The cures effected are of such nature that most of the patients could get relief by no other medicines.

Boston, March 3, 1837.—John Boden, No. 374 Prince street, cured of an obstinate, very obstinate cough, attended with pain in the left side of the chest.

Boston, May 17, 1837.—Mrs. J. Ann Recker, No. 32 Pleasant st., cured of a long-standing cough and dull headache, when no other medicine did even relieve her.

Boston, April 14, 1837.—John Furlong, No. 100 Endicott st., cured of a long-standing cough after he left the hospital without success.

Boston, April 16, 1837.—Bridget Morrey, No. 24 Washington Avenue, cured of an obstinate cough, after being confined in her chamber for a long time and reduced very low.

Boston, Nov. 13, 1837.—Hannah N. Roby, cured of an obstinate cough, attended by a dull headache and pain in the side.

Boston, Feb. 23, 1837.—Jonathan Goldsmith, carpenter, resides in Fletcher's court, cured of an obstinate Cough.

Boston, Aug. 24, 1837.—Elisha L. Goodrich, residing in Langdon place, cured of an obstinate cough of 2 years standing.

Boston, Sept. 4, 1837.—A child of Wm. Henry Baker, No. 5 Prince street, cured of an obstinate cough, after the physician had pronounced it in consumption and incurable.

Boston, March 11, 1837.—Mrs. S. Neave, No. 272 Hanover street, cured of an obstinate cough and hoarseness.

Boston, April 13, 1837.—Thos. Bab, No. 60 Eliot st. two children, cured of obstinate Coughs.

Boston, April 10, 1837.—Mr. M. Reed, of Hobarthtown, cured of a very obstinate Cough.

Boston, Nov. 13, 1837.—Elisha L. Goodrich, residing in Langdon place, cured of an obstinate cough of 2 years standing.

Boston, Sept. 4, 1837.—A child of Wm. Henry Baker, No. 5 Prince street, cured of an obstinate cough, after the physician had pronounced it in consumption and incurable.

Boston, April 10, 1837.—Mr. M. Reed, of Hobarthtown, cured of a very obstinate Cough.

AN INVALUABLE REMEDY.

Tested by experience, and sustained by testimonials.
MOST people have a remedy for CORNS as well as other corn ailments—but the proprietor of the long known

Albion Corn Plaster!

(As prepared by the late Dr. Conway) has been made acquainted with no instance of its proper application, in which it has not been preferred to all other REMEDIES for CORNS, those painful disfigurements of the feet, and enemies to locomotion.

The Albion Corn Plaster softens the corn, however old and tough, and extracts it to the very roots. The relief afforded is *instantaneous, immediate, and thorough.*

The Proprietor begs leave to submit the following case from Mr. Stowell, who is well known to the inhabitants of this city, especially at the South End, and at South Boston, as a very worthy and respectable citizen.

Sir—I do not hesitate to give my most unqualified approbation in favor of your valuable Albion Corn Plaster. By the use of less than a box, Mrs. Stowell has been cured of a corn on each foot, which had been exceedingly troublesome and painful for years, and I think it but justice to your valuable preparation to add, (for the encouragement of those, who owing to repeated disappointments in the various remedies resorted to, have finally despaired of a cure) that your Plaster cured her corns after trying other highly recommended remedies; so that no purpose is so well answered as confidence in the superiority of your Plaster, in the fact, that it has been used by several of my neighbors with equally good success.

A man advanced in years, had become so crippled with corns, as to be obliged to cut holes in his shoes to ease his feet, he had many corns on his feet, and was unable to walk, and I think it but justice to your valuable preparation to add, (for the encouragement of those, who owing to repeated disappointments in the various remedies resorted to, have finally despaired of a cure) that your Plaster cured her corns after trying other highly recommended remedies; so that no purpose is so well answered as confidence in the superiority of your Plaster, in the fact, that it has been used by several of my neighbors with equally good success.
